PROGRAM FOCUS AND GOALS
The Institute of Behavioral Healthcare is the producer of the Summit for Clinical Excellence Conferences, a premier provider of continuing education for behavioral health, mental health and addiction professionals. We bring together the best and brightest trainers from many disciplines offering a broader perspective to help our therapists and counselors better address the issues that their client is facing day to day.

CONFERENCE OBJECTIVES:
1. To identify current evidence-based specific diagnostic and treatment approaches, counseling skills and modalities that will be successfully applied to the fields of mental health, behavioral health and addictive disorders; including but not limited to: Trauma, Co-occurring Disorders, Relationships, LGBT focus, Mindfulness, Process Addictions, and Ethics.
2. To identify the symptoms and characteristics of the disorders mentioned in objective #1
3. To participate in skills building workshops and unique trainings that offer cognitive and experiential clinical techniques; to assist in patient/client recovery from these listed disorders.
